Luxury YOU DESERVE

Slumber Hybrid

Sleep Surface

Hyper-Soft™ Gel-Top Quilting

Durable gel-infused construction retains its feel for years of consistent comfort.

Comfort Layers

High-Density Gel-Infused Super-Soft Foam

Provides cool, comfortable, pressure-relieving support.

100% Talalay Natural Latex

Luxuriously soft, hypo-allergenic, durable and consistent.

Soft Slow Response SPA Foam

This special foam is ultra-soft, breathable, and exceptionally durable.

Versa-Coil™ Spring Layer

Individual 2.4" mini-coils provide mid-support to minimize pressure points.

High-Density Gel-Infused Firm Foam

Strategically placed foam layer provides strength and durability for more support.

Support System

Combi-Zone Pocketed Coil System

Featuring high-performance center zoning, this ergonomic spring system delivers deep support and virtually eliminates motion transfer.
