Luxury YOU DESERVE

# Vintage Stout Hybrid

## Sleep Surface

### Hyper-Soft™ Gel-Top Quilting

Durable gel-infused construction retains its feel for years of consistent comfort.

## Comfort Layers

### High-Density Gel-Infused Super-Soft Foam

Provides cool, comfortable, pressure-relieving support.

### High-Density Gel-Infused Firm Foam

Strategically placed foam layer provides strength and durability for more support.

### 100% Talalay Natural Latex

Luxuriously soft, hypo-allergenic, durable and consistent.

### Firming Fiber Pad

Helps create a firm and level sleep surface with intermediate support.

### Ultra-Dense Firming Foam

This key support layer creates a perfect blend of rigidity and support.

## Support System

### Combi-Zone Pocketed Coil System

Featuring high-performance center zoning, this ergonomic spring system delivers deep support and virtually eliminates motion transfer.
